Introducing the

DOG KENNELS

Can't trust your dog to be home alone? Does he keep getting out of the yard at night?

Set your mind at ease with ProLink Supply's chainlink dog kennels. Sturdy, durable and weather resistant, our dog kennels are all hand made here in Canada and provide an excellent enclosure for any small to medium sized pet. Since we make all these in house we can make your kennels to any specifications requested with any material requested. Do you find your rottweiler can chew through weaker mesh types? We can definitely upgrade your kennel with stronger mesh to endure any breed you can put in there. We have done anything from a basic 5 X 10 FT enclosure to massive kennel installations used at animal shelters. Our dog kennels are second to none and are all stocked and ready to go this spring. When you think dog kennels, think ProLink Supply!

Any material upgrades or substitutions will be reflected on the purchase price, please get an updated quote before quoting your customer.
